Subject: Pawtucket Falls Fish Ladder  
Pawtucket, RI

Dear Mr. McGinn:

I am writing in response to your request for concurrence with the subject Project. RIDOT has reviewed the subject project and has no objection on moving of the fish ladder under I-95 Bridge No. 550.

However, as you are aware RIDOT is actively engaged in replacing this complicated structure. With that, RIDOT asks that you keep us informed of your schedule so we may give adequate notification to RIDOT's Contractor to plan his work.

If you have any questions, or require additional information please contact John Preiss, P.E. at 222-2023 Ext. 4058.

Sincerely,

David W. Fish, P.E.  
Managing Engineer
